Index to Volume 17: Subject

Adolescence
Of condoms and conundrums (Shamansky), 403 (Editorial)
Cudahy High School survey and focus groups: assessment of the needs of a teen population. a community[n]campus collaboration (Doerr and Wantauch), 11
Developing a caregiving tradition in opposition to one's past: lessons from a longitudinal study of teenage mothers (SmithBattle), 85
Gender differences in teen parents' perceptions of parental responsibilities (Dallas et al), 423
Missouri Rural Adolescent Pregnancy Project (MORAPP) (Anderson et al), 355

African Americans
Extending the extended family for homeless and marginally housed African American women (Killion), 346
Gender differences in teen parents' perceptions of parental responsibilities (Dallas et al), 423
Health protecting and health promoting behaviors of African Americans living in Appalachia (Newell-Withrow), 392
A substance use prevention framework: considering the social context for African American girls (Guthrie and Low), 363

Aged
The crisis nature of health care transitions for rural older adults (Magilvy and Congdon), 336
Extending the extended family for homeless and marginally housed African American women (Killion), 346
Factors associated with cane use among community dwelling older adults (Aminzadeh and Edwards), 474
Gender issues and Japanese family-centered caregiving for frail elderly parents or parents-in-law in modern Japan: from the sociocultural and historical perspectives (Hashizume), 25
Health promotion practices of the older adult (Resnick), 160
Home care for the frail elderly based on urinary incontinence level (Shimanouchi et al), 468
Impact of the Caring for Aging Relatives Group program: an evaluation (Kaasalainen et al), 169
Patient problems and advanced practice nurse interventions during transitional care (Naylor et al), 94
Promoting elder wellness through a community-based blood pressure clinic (Shellman), 257

Alcohol
In harm's way: recognizing and addressing alcohol risk for rural disadvantaged pregnant mothers (Ettlinger), 207

Americans with Disabilities Act of 1990
Shopping center wheelchair accessibility: ongoing advocacy to implement the Americans with Disabilities Act of 1990 (McClain), 178

Appalachia
Health protecting and health promoting behaviors of African Americans living in Appalachia (Newell-Withrow), 392

Attitudes
Attitudes, subjective norm, perceived behavioral control, and intentions related to adult smoking cessation after coronary artery bypass graft surgery (Bursey and Craig), 460

Blood pressure
The effects of community health nurse monitoring on hypertension identification and control (Clark et al), 452
Promoting elder wellness through a community-based blood pressure clinic (Shellman), 257

Breast feeding
Breastfeeding triplets: the at-home experience (Leonard), 211

Breast neoplasms
The relationship between self-esteem, health habits, and knowledge of BSE practice in female inmates (Brewer and Baldwin), 16

Canes
Factors associated with cane use among community dwelling older adults (Aminzadeh and Edwards), 474

Cardiovascular disease; *see* Heart disease

Caregiving
Caregiving and help seeking by mothers of low birthweight infants and mothers of normal birthweight infants (May and Hu), 273
Developing a caregiving tradition in opposition to one's past: lessons from a longitudinal study of teenage mothers (SmithBattle), 85
Gender issues and Japanese family-centered caregiving for frail elderly parents or parents-in-law in modern Japan: from the sociocultural and historical perspectives (Hashizume), 25
Impact of the Caring for Aging Relatives Group program: an evaluation (Kaasalainen et al), 169
Implementation of the Zuluaga-Raysmith (Z-R) model for assessment of perceived basic human needs in home health clients and caregivers (Zuluaga), 317

Case management
Performing a program evaluation in a family case management program: determining outcomes for low birthweight deliveries (Prozialeck and Pesole), 195

Central Americans; *see* Hispanics

Child
Enhancing low-income parents' capacities to promote their children's health: education is not enough (Williamson and Drummond), 121
Lead poisoning and its elimination: an opportunity for success (Morrissey-Ross), 229 (Editorial)
Mothers' explanatory models of lack of child growth (Reifsnider et al), 434

Clinical specialists
The clinical specialist in community health nursing: a solution for the 21st century (Hemstrom et al), 386

Communities
Community based and community focused: nursing education in community health (Feenstra), 155
Community development through faculty practice in a rural nurse[n]managed clinic (Krothe et al), 264
Community resilience: the potential for

Clinical specialists
The clinical specialist in community health nursing: a solution for the 21st century (Hemstrom et al), 386

Communities
Community based and community focused: nursing education in community health (Feenstra), 155
Community development through faculty practice in a rural nurse[n]managed clinic (Krothe et al), 264
Community resilience: the potential for

community health nursing theory development (Kulig), 374
Finding ways to create connections among communities: partial results of an ethnography of urban public health nurses (Schulte), 3
Competency
Associate and baccalaureate degree final semester students' perceptions of self-efficacy concerning community health nursing competencies (Rosen), 231
Computers
Teleform: a blessing or burden? (Nies and Hein), 143
Condoms; *see* Contraceptives, male
Contraceptives, male
Of condoms and conundrums (Shamansky), 403 (Editorial)
Prevention strategies other than male condoms employed by low-income women to prevent HIV infection (Crosby et al), 53
Coronary artery bypass
Attitudes, subjective norm, perceived behavioral control, and intentions related to adult smoking cessation after coronary artery bypass graft surgery (Bursey and Craig), 460
Costs and cost analysis
Cost analyses of home care and nursing home services in the southern Taiwan area (Chiu et al), 325
Economic evaluation of a metropolitan-wide, school-based hepatitis B vaccination program (Wilson), 222
Evaluation of telenursing outcomes: satisfaction, self-care practices, and cost savings (Hagan et al), 305
Cultural factors
Finding ways to create connections among communities: partial results of an ethnography of urban public health nurses (Schulte), 3

Data entry
Teleform: a blessing or burden? (Nies and Hein), 143
Death
Death and meaning in a storefront church (Abrums), 132
What to do when the end is near: ethical issues in home health care nursing (Ladd et al), 103
Depression
Gender differences for the predictors of depression in young adults with genital herpes (Dibble and Swanson), 187
Street music or the blues? the lived experience and social environment of depression (Poslusny), 292
Domestic violence
An evaluation of interventions to decrease intimate partner violence to pregnant women (McFarlane et al), 443

Economics
Cost analyses of home care and nursing home services in the southern Taiwan area (Chiu et al), 325
Economic evaluation of a metropolitan-wide, school-based hepatitis B vaccination program (Wilson), 222
Evaluation of telenursing outcomes: satisfaction, self-care practices, and cost savings (Hagan et al), 305
Education, nursing
Associate and baccalaureate degree final semester students' perceptions of self-efficacy concerning community health nursing competencies (Rosen), 231
